PUBLIC WORKS DEPARTMENT.

DOWLAISHWERAM, 6th April 1892.

SIR,

With reference to para 2 of G.O.
No. 3307 W dated the 9th December 1891,
I have the honor to inform you
that the two buildings noted below
are not likely to be again occupied
as quarters, and that they should
therefore be omitted from the Ca-
pital and the Revenue Accounts.

Provincial Buildings

Ganjam Division

Portion of Sub-Divisional office
building, Russellkonda.

Godavari Eastern D^o

Executive Engineer's Bungalow, Du-
magudem.

2. The former building is now
used for an office by the Asst. En-
gineer, Russellkonda Sub-D^o, Rushikulya
Project and

available for rent. The latter building was proposed to be dismantled, as it was not required for any use, but the proposal did not meet with the approval of Govt. vide G.O. No. 1656 W. dated the 14th June 1890. It is not required by any one for occupation as quarters, and I do not see any reason why it should continue to be borne on the Capital and Revenue accounts, vide G.O. No. 256 W. dated the 29th January 1892.

I have the honor to be

PUBLIC WORKS DEPARTMENT

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following

from the Secy. Mr. J. Ains dated

11.4.91:—

We are desirous to pull
down our boys' school room
and use the materials in repairing
the roof of the building in which
we hold service on Sundays and
which in future will be the
Boys' School room. ^{It has to be done at once} The only building
large enough for the school is the
larger building belonging to the
S. P. W. the rent of which is over
£100 per mensem. This we
cannot afford to pay as three
months' rent would more
than swallow up the Government
grant. As we desire the use
of the building for school
purposes and not for private
use would the Govt. be able
to lend us the building rent
free until the end of March?
It would

and enable the scheme to be
conducted properly, and thus comply
with the Government regulations.

Letter from the S.E. I. Circle

N^o 1485 G.O. 3 d/21. 11. 91—

I have the honor to submit
herein a letter dated 11th instant
from the Rev. J. Cain at
Dumagudien and to recommend
that sanction of Government may
be obtained to the building
therein alluded to, viz Executive
Engineer's bungalow at Dumagudien
being occupied rent
free till the end of March
next, as requested by the Rev.
Cain. The building is now vacant.

Order:— dated 2nd Decr 1891 N^o 3231 W

The use of the building
may be allowed as proposed
till the end of March next.

OFFICE NOTE No. 731

To

W.

Your office note No. 1996 C. dated
13th. April 1892.

As the building is available for
occupation as a residence, although no
one occupies it at present, I do not
think it can be omitted from the capi-
tal and revenue accounts of buildings
rented or available for rent in the
face of Code paras 1048 and 2061 A.

2. In his statement dated 4th. Ja-
nuary 1892 printed with G.O. No. 256 W. of
29th. January 1892 the Superintending En-
gineer Ist. Circle proposes, for reasons
therein stated, the retention of the
Asstt. Engineer's quarters at Dumagudem
as a residence, but as that building has
been ordered to be treated as an inspec-
tion bungalow the Executive Engineer's
quarters at the same place may perhaps
come into requisition for the purpose
of residence in the immediate future.
