Read—also the following Proceedings of the Board of Revenue (Land Revenue), dated 13th April 1892, Mis. No. 2314, on G.O., Revenue Department, dated 28th March 1892, No. 297.

Resolution—dated 13th April 1892, Mis. No. 2314.

The Board considers that if a Head Assistant can be provided for the Vizagapatam district only by withdrawing one from one of the districts named in the order of Government, Cuddapah can best spare its Head Assistant. The Head Assistant's division in Salem includes Tirupatur which has a large Muhammadan population. The Board thinks that he should not be moved. The Nellore Head Assistant is required to look after the Venkatagiri zemindari.

2. But the Board respectfully begs to point out that what it recommended was not a mere transfer of one of the existing Head Assistants, but an additional Head Assistant Collector. The existing number is by no means too large and no district can well spare its Head Assistant.

Order—dated 21st May 1892, No. 510, Revenue.

There is no prospect of sanction being given for an addition to the strength of the Covenanted service. The Head Assistant Collector will, therefore, be transferred from the Cuddapah district to the Vizagapatam district and one of the Deputy Collectors sanctioned for the latter district will be transferred to the former with effect from the 1st July next.

2. The construction of buildings for the Head Assistant Collector at Gúdúr may now be proceeded with.
