Madras.

Sir,

I have the honor to bring to your notice that should this S. W. Monsoon fail, we shall require for this District a supply of 30,000 Hammers stone breaking and to require whether you have such a large number in your stores for immediate supply or if not what time would be necessary before they could be supplied after submission of Indent.

I have the honor to be,
Sir

Your most obedient servant

Sir

While Submitting the enclosed copy of the letter No. 212 of 16th May 1892 from the Executive Engineer Kurnool Division, I have the honor to state that 16500 Hand Hammers have been received from England as per G.O. No 492 W of 16th February 1892 communicated with your No. 79 P.W.S. of 19th February 1892 of which 6000 have been set aside for 2nd Circle as per my report No. 458 of 26th April 1892 and 10500 can be supplied immediately when required. The Chief Engineer in his Memo No 2014 C of 13th April 92 received with your No. 155 P.W.S. of 16th April 92 has

with me 5th ordered the transfer of 13612 Hammers from 4th Circle for reserve in stores for supplying F. R. works, and these hammers are expected. Thus making 24112 available against 30,000 that may be required by the Executive Engineer Kurnool Division and arrangements are to be made for supply of the balance of 5888.

I request therefore that you will ask the Government for orders on the subject.

A memo showing the hammers available for issue and that of requirements for

for Divisions up to date is herewith submitted for your information.

I have
Signed L.L. Wickham
