16TH JANUARY 1892, No. 169 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following paper :—

From J. W. MARTIN, Esq., Superintending Engineer, III Circle, to the Chief Engineer, Public Works Department, dated Kamplly, 16th December 1891, No. 2640.

At the request of the President of the District Board, Bellary, I have the honour to forward, for sanction, two estimates for improving the roads noted on the margin. The works provided for in the estimates are intended to be carried out as relief works.

Completing the portion from Adóni to Nandavaram of Adóni-Nagaldinni road, first section, estimate ...	RS. 5,060
Completing incomplete portion from Nandavaram to Nagaldinni road, 23rd—29th mile, estimate ...	11,610

2. The President did not send with the estimates any plans, levels, &c., so all I can do is to check the rates. It is, however, explained in letter No. 1624, dated 12th instant, from the Local Fund Engineer, a copy of which accompanies the papers, that the road from Nandavaram to Nagaldinni was more or less made during the famine of 1876-77 and what is now required is to complete it as provided for in the estimate.

3. Regarding rates, the Local Fund Engineer explains in his letter and his report accompanying the estimate that he has increased the rates 50 per cent. as regards the ordinary rates on account of it being proposed to carry out the works by means of famine labour. The Collector and President makes no observations relative to this, but I have reduced the rates to correspond with those entered in the schedule of rates. I think it is advisable to do this, for, otherwise, the rates might be accepted at once as suitable, although there may be no real necessity to pay such high rates for some time to come. Moreover, if it should be necessary to increase the schedule rates, it will be easy to determine at once the excess caused by famine.

ORDER—dated 16th January 1892, No. 169 W., Public Works.

The following estimates for Local fund roads in the Bellary district are sanctioned :—

1. Completing the road from Adóni to Nandavaram ...	RS. 5,060 (Local No. 26 W. of 1891-92).
2. Completing the road from Nandavaram to Nagaldinni ...	11,610 (Local No. 27 W. of 1891-92).
