PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper:—

25th Dec 92 Again. G.O. 415 April 1892 No. 27.

Read also the following:—

From the Secretary to the Government of Madras of 21st April 1892. No. 1055-1067.

Order of the Public Works Department of 3rd and 11th May 1892 Nos. 2319 & 2343 respectively.

Order 1st June 1892 No. 34.

The Government consider that the Chaplain of Coimbatore has shown satisfactorily that the building Committee ^{and the Church Committee} were not one and the same and that the former has long been defunct. It therefore follows that the present Church Committee cannot claim, on behalf of the Building Committee the fulfilment of the Trust if any created by the deed executed in 1844.

2. The Government is, however, prepared in final settlement of the question to repair the "all souls" school house at Coimbatore and to hand it over to the Church Committee on their agreeing

agencies to take over the Trust and the school building. The connection of Government with both will then cease entirely.

The Collector of Coimbatore will be directed to submit without further delay the report called for on 4th November 1891 by the Government. It is understood that a copy of the Executive Engineer's Certificate was forwarded by that officer to the Collector on the 28th November last.
