PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Public Works Department dated 12th April 1892 No. 1960 C. referring for orders correspondence relative to overtaxation by the Municipality of the Collector's bungalow and compound at Madras.

Order dated 2nd June 1892 No. 963 M. S. S.

The Government cannot pass a ruling on the questions raised in the Executive Engineer's letter read above. The only way of contesting the assessment in such cases is by appeal under section 97 of the District Municipalities Act. The Executive Engineer has apparently let slip his opportunity. He should take care that an appeal is preferred in the proper manner and at the proper time in the case of the demand for the current year. If the Municipal Council

period

persist in assessing the land separately he should
claim to have the lamp rental levied from the
Collector divided between the house and compound
in such proportion as may seem equitable.

Yours faithfully,

D. D. D.

My Assistant Secretary.
