No. 1003

Vezagapatam Collector's Office
Dated 7. April 1872

From

W. A. Willock Esq^r

Collector, Vezagapatam D^r

To

H. A. Sini Esq^r

Secretary to the Commissioner
of Land Revenue
Madras

172/1

Sir,

I have the honor to ask that a new taluk
Catching may be built at Palakonda at a very early
date as the present building there is altogether unfit
to accommodate a Tahsildar and his Establishment.

2. Enclaving the sub-gail accommodation it contains
the following rooms.

1. Room for Deputy Tahsildar	12 x 12 1/2
1 Record room	12 x 13 1/2
1 Treasury	20 x 12 1/2
1 Clerk's room	25 x 12 1/2

Most of the work is really done in a large open
Veranda. like space about 38 ft x 20 1/2 altogether
unfit for an Office. The greater part of the building
is very old and the site, which is in the middle
of the town and cannot be extended is too small even
for present requirements. There is therefore no use
in attempting to adapt or enlarge it for the new

Office

Office.

3. A convenient site for the latter can be found in what is called the Court-mart.

4. I enclose a rough plan of the building.

I have &c

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of

the Board of Revenue (Land Revenue) of 2nd May 1892

(+ Copy attached) No 2661 inis on letter from the Collector of Vizagapatam District of 7. April 1892. No 1003.

Resolution.

The Collector's proposal that a new Taluk Office may be built at Palconda is submitted for the early sanction of Government with reference to the correspondence including with Board's Proceedings dated 13. April 1892 No 2314.

2. It has been resolved to form Palconda now a Df. Tahsildar's Station into a separate Taluk and the Collector reports that the present Office at that place does not contain adequate accommodation for the establishment of a Tahsildar that the greater part of it is very old and that the site which is in the middle of the town and cannot be extended is too small even for present requirements.

3. It is observed that the revised arrangements will come into operation from 1. July next and as it will not be possible to provide a new building within that time the Collector will be authorized to rent an Office for the Tahsildar, meantime.

4. He will be further requested to report how he proposes to deal with the existing Office

when

when the new one has been provided.

Order thereon 3^d June 1892 No. 2677

The Construction of a new tail R

Catchery at Paleonda is sanctioned as recommended
by the Board of Revenue.

2 Orders will issue in the Public Works
