OFFICE NOTE No. 52

To

W.

Officiating allowance to Captain Ellis R.E. while officiating as Consulting Architect to Government.

3048 W&N.11.91

Please read the concluding portion of para 3 of letter from the Government of India P.W.D. No.2755 G. of 23rd.October 1891,in which it was said- "The Government of India considers that the case will be sufficiently met by granting him the officiating rank of Executive Engineer 4th.Grade while officiating for Mr.Irwin".

It is not quite clear from this whether the intention of the Government of India was that the pay of an Executive Engineer 4th.grade should be drawn by Captain Ellis for the full period of Mr. Irwin's absence on privilege leave, irrespective of the following facts,viz;

(i) that Captain Ellis had not passed the language examination prescribed in Government of India P. W.D. Code,volume I,chapter II,para 14.

-3-2-91.

P.W. CURRENT No. 285

(ii) that as Captain Ellis was at the same station as Mr.Irwin he is not entitled,under Civil Service Regulations article 120, to any acting allowance for the first 30 days of his acting for Mr.Irwin.

2. If these two rules be brought into operation in this case,then all that can be passed to Captain Ellis for the 3 months (from 11th.June to 14th.August) that he performed the responsible duties of Consulting Architect is an officiating allowance for the last 27 days only of Mr.Irwin's absence,for —

(a)Captain Ellis did not pass the prescribed examination until 20th. July;

(b)Captain Ellis was appointed to officiate as Executive Engineer 4th.Grade with effect only from 20th.July(vide G.O.No.3043 W. of 14th.November 1891)."The first 30 days of such acting appointment" must therefore count from that date,and the officiating allowance can only commence from 19th.August.

3. Captain Ellis may be correct in his view that the intention of the Government of India was to sanction, as a special case,the allowance carried by promotion to Executive Engineer 4th. Grade for the whole period of Mr. Irwin's absence;but explicit orders of the Government of India are necessary to admit of this being passed.
