Copy of letter from the Sub. Divisional officer Perakulam to the Executive Engineer, Madurai Division No. 275 dated 25 May 1892.

1774

In continuation of this office No. 228 dated 20th May/92, I beg to inform you that I inspected the Kovilpatty Temple this morning and found a great many shrubs growing on its roof and several Peepul trees growing in the joints of the face walls on three sides, the cost of removing which would be Rs 2. A few stones in the top three courses at the North eastern corner are being thrust out of position, but as there is nothing of any architectural value involved and the stones will probably remain in their present position for several years to come no action is necessary in this connection.

The front portion of the building with carvings as well as the interior carvings which are of

of architectural value are in
good order.

This Temple has been abandoned
for a long time and is now used
as a halting place for travellers,
it is very leaky but I do not
think that it is intended to
stop leaks and maintain it in
a fit state for travellers to lodge
in from the funds set apart for
the conservation of ancient monu-
ments.

No 213. M.D. 4/4 June 1892
Dy. Dy.

Copy submitted to the Chief
Engineer, P. W. D. with reference
to serial No. 4 in the list of monu-
ments forwarded in this office
No. 213 T.C. dated 11th May 1892.
