No. 224 W.

SUPERINTENDING ENGINEER'S OFFICE,

V Circle, Madras,

Chennai, 16th May 1892.

From

Lieut. Col. Dmas Neil Campbell R.E.

SUPERINTENDING ENGINEER, V CIRCLE,

To

THE Chief Engineer

P.W. Department.

1768

SIR,

Enclosures.

With reference to paras 2 and 3 of G.O. No. 2621 W dated 30th September 1891, I have the honor to state that in the monthly return of Buildings available for rent in the South Arcot Division, the Store Shed at Koliaoor and the bungalow at Valudanoor are included.

2. The Store Shed at Koliaoor was transferred to the Local Fund Board in 1880, with other similar buildings on the condition that the Board will undertake to keep the buildings in good repair. This shed is occasionally required by this Department, whenever a European Upper Subordinate is posted to the Villypuram Taluq, as a residence for him on payment of rent

of rent to this Department and on such occasions the Local Fund Board have been willing to give back the building (See G.O. No. 2228 W and No. 654 W dated 31st August 1882 and 9th January 1888) its repair whilst in our charge being undertaken by us. During such period as the building is in charge of the Local Fund Board it seems unnecessary to show it in the Executive Engineer's Return of buildings available for rent.

3. The bungalow at Valudavoor is according to the latest report received from the Executive Engineer, stated by the Collector to be occupied by Village Revenue officials. This building also need not therefore appear in the Executive Engineer's Return. A further report regarding this building in reference to para 4 of G.O. No. 1153 W dated 7th April 1892 will be submitted in due course.

4. There are no buildings in the Chingleput and the Negapatnam Divisions which are not or ^{are} not likely to be required

required, and which should be disposed of or utilised for other purposes.

5. In the Tanjore Division there are the old jail buildings at Tranquebar regarding which a separate report is submitted in this office No. 223 R dated 16th May 1892.
