No 103 SE

North West Division Office
16th May 1892

Major H. Smart R.E.

Executive Engineer

North West Division

The Superintending Engineer
4th Mile S.E.

Sir,

With reference to the sanctioning & employment of a stockkeeper under Mr Lacey on pay of Rs 20 communicated with your ²⁸² of 26th April 1892 I have the honor to inform you that Mr Lacey, from the date he took over charge of Relief works in Dimgancory, has under his orders a stockkeeper named Subramania Mudaliar who was employed under the Local Board previously. He is an uneducated man and as such is ineligible for Rs 20. now sanctioned. I request that you will obtain necessary orders permitting him to draw Rs 15. against Rs 20 sanctioned. Mr Lacey reports that he has been doing his work to his satisfaction and considering the difficulty of getting an experienced hand, as a stockkeeper, for a short space of time I think that the man may be retained, in preference to appointing a

a passed but unperfected,
man.

From
The Executive Engineer
North Arcot D.

I have the honor to be
Sir.
