Amount of estimate Rs 1870

This estimate has been framed with reference to G.O. D. 2624 dated 30th Sept 1891. It provides for converting the old Military Barracks at Palamcottah, which was vacated by the Municipality into an office for the Supt. of Police.

The amount of the estimate is made up as follows:

Improving the main building	Rs 1173
do do School room	243
Constructing a latrine	454
Total	Rs 1870

The necessity for the work is fully explained in the report accompanying the estimate.

The main building is proposed to be partitioned as per plan into 4 main rooms so as to provide accommodation.

accommodation for the District Supt. Andile office, Head Qr. Supt. Office & General Dept. a portion of the south west verandah is to be partitioned across to form a record room; the kitchen which is a detached building is to be converted into a school & a pandal verandah 5 feet wide made of cindian leaves & supported on stone pillars is proposed to be constructed around the main & detached buildings.

A new latrine 33' x 20' outer dimensions is to be built to the north or south of the school room for the use of the office.

The rates are fair except the following:

	Schedule	Rate bid
Plastering 2 coats.	2-8-0	against 2-5-0
Painting 3 coats	4-0-0	- do - 3-8-0

If schedule rates are adopted the saving will only be Rs 13-0

The rate for 4 pillars, each 10 feet long at Rs 40 each or Rs 4 per Rft appears to be high.

The estimated area of the proposed latrine is 660 Sq ft & the cost will be Rs 0-11-0 per Sq ft.

The plan & estimate have been countersigned by the Supt. General of Police & approved in the Judicial Dept.
