Copy of letter from the Assistant
Surgeon Muntafar to the Secretary
to the Surgeon General with the
Government of Madras, No. 20
dated 8th May 1892.

I have the honor to bring to your notice that the Quarters built for the Apothecaries and afterwards handed over to the Assistant Surgeon and which goes by the name of "Assistant Surgeon's Quarters" is now being occupied by the Engine-tive Engineer. I wrote to the Engine-tive Engineer yesterday for the house but he refused to give up the house. His reply is herein enclosed:—

"By order of the Government it has been enlarged to suit it for my residence, so long as the Division lasts, probably till March 1893."

2. All the houses are now occupied, even the Travellers Bungalow is rented out for 3 years to the Survey Department. As I have no place to go to and am put to great inconvenience, I beg you will kindly address the Public Works Dept^l for the house.

Read the following:—

Endorsement by the S E III Circle No. 571
dated May 17, 1892.

FOR ORDERS.

Sanction to the
estimate for improving
this building was
authorised on the
understanding that
the Assistant Surgeon
did not require the
house - being a native.
It is not stated if the
Assistant Surgeon
has been replaced
by a European or
another who now
requires the building.
If he has not been
replaced his claim

to the bungalow should not now apparently be admitted - but if a transfer has taken place the new corner is justified in asking for the building. At the same time the Executive Engineer needs a bungalow just as much as the Assistant Surgeon and being in occupation should not be turned out, especially as a considerable sum has just been expended on the building to fit it for occupation by himself & his office.
