SIR,

I have the honor to bring to your notice that the Executive Engineer Godavari Eastern Division reports that the services of the temporary Draughtsman sanctioned in G.O No. 2931 W. dated the 2nd November 1891, upto end of March 1892, are required for 2 months in this official year, to complete the Tank Restoration Scheme Estimates. & that if plans of all masonry works are required by you for photostereography (vide my letter No. 507 QD dated 30th May 1892), the draughtsman is required to the end of March for the preparation of the plans. I do not see any reason to differ from the Executive Engineer's opinion, and therefore request that you will be so good as to obtain the sanction of Government for the entertainment of the draughtsman for two months, or up to the end of March next, according to the decision you may arrive at on my letter quoted above.

I have the honor to be,

Sir,

Your most obedient servant

J. W. Brown.
