OFFICE NOTE No. 807

To

W.

In auditing the accounts of Kurnool Division for August 1891 a payment of Rs. 16-14-5 on account of Municipal tax was found to have been made for two vacant buildings in the Division- viz District Engineer's office at Kurnool and old Range office at Nandial.

2. The Executive Engineer was asked to address the Municipality in view to obtaining a refund of the amount, but he states in reply that the notice required by the Municipal Act not having been given to the Chairman, the Municipality refuse to grant any remission, & he recommends that as the buildings have since been occupied and the amount is small the matter may be dropped.

3. Before finally admitting the expenditure I beg to bring the matter to the notice of Government as a question of Municipal law and of precedent are involved in it, small as the amount is.
