9TH JUNE 1892, No. 583, REVENUE.

1808-91/1

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture), dated 20th May 1892, Mis. No. 4625 :—

THE HON. MR. H. W. BLISS.

Read—the following letter from the Inspector of Cattle Diseases, Madras Presidency, dated 16th May 1892, No. 69 :—

I have the honour to request that you will be so good as to let me know whether I am under the present official title notified in the *Fort St. George Gazette*, dated 10th May 1892, entitled to draw the house-rent sanctioned for Inspector of Cattle Diseases under G.O., No. 1764-W, dated 30th June 1891.

Resolution—dated 20th May 1892, Mis. No. 4625.

Submitted for the orders of Government.

2. The Board has received no intimation of the conditions pertaining to Veterinary Captain Burke's appointment as Inspector of Cattle Diseases. It is presumed that they will be governed by the rules framed by the Government of [illegible] of the Civil Veterinary Department, copy of which was asked for in G.O., dated 29th April 1892, No. 2198, Mis.

(A true Copy and Extract.)

(Signed) P. RAJARATNA MUDALIAR,
Secretary.

To the Secretary to Government, Revenue Department.
,, Inspector of Cattle Diseases.

READ—also the following letter from Sir E. C. BUCK, *Kt.*, Secretary to the Government of India, Revenue and Agriculture Department (Horse-Breeding and Agricultural Stock), to the Secretary to the Government of Madras, dated Simla, the 11th May 1892, No. 976-1 :—

I am directed to forward, for the information of His Excellency the Governor in Council, the correspondence marginally noted with Her Majesty's Secretary of State for India regarding the formation of the Civil Veterinary Department.

Despatch to the Secretary of State, No. 82, dated 21st October 1891.
Despatch from the Secretary of State, No. 18 (Revenue), dated 18th February 1892.

2. It will be seen that the Secretary of State has sanctioned the creation of the new department with a staff of 18 officers, including the head of the department, who will be styled Inspector-General, Civil Veterinary Department. The staff will be recruited from the Army Veterinary Department, and officers will receive the Indian pay and allowances of their military rank and a civil allowance on the scale laid down in paragraphs 18 and 19 of the Government of India's despatch of the 21st October 1891, No. 82. A local allowance will also be attached to the special appointments mentioned in paragraph 20.

3. The appointments comprised in the scheme and the existing appointments to be absorbed are detailed in appendix A to despatch No. 52. For the reasons explained in paragraph 23 of that despatch, the Government of India have decided to retain the entire staff on an imperial list during the term of the current financial contracts with Provincial Governments. The salaries of civil veterinary officers will be met from imperial revenues, to which will also continue to be charged expenditure connected with the office of the Inspector-General, the Imperial Bacteriological Laboratory, and the purchase and maintenance of military stallions; also the existing imperial grants for prizes at horse fairs. All other veterinary expenditure, including the travelling allowance of provincial officers, will be defrayed from provincial and local sources. As explained in paragraph 23 and in the circular letter of the 18th October 1889 (No. 80), this arrangement will not affect the control and authority of Local Governments. Except as regards the charge of the military stallions, where these exist or may hereafter be stationed, provincial veterinary officers will carry out their duties under the orders of Local Governments.

4. The leave and pension rules for the Civil Veterinary Department are under reference to the Secretary of State, to whom also it has been found necessary to refer some points connected with the military rank and promotion of army veterinary officers transferred to the civil department and their claims to employment in the event of reversion to military service. Pending a final decision on these matters, the Government of India are obliged to postpone the issue of general orders on the scheme, but a provisional draft of the rules for the Civil Veterinary Department will shortly be circulated to Local Governments. In the meantime it is desirable that the department should be organized as far as possible without delay.

5. As intimated in my telegram of the 4th April, the officer selected for Madras is Veterinary Captain R. W. Burke, whose nomination has already been accepted by His Excellency the Governor in Council. He has been ordered to report himself to the Madras Government. I am to request that the Government of India may be informed of the date on which Veterinary Captain Burke joins his appointment in order that he may be posted with effect from that date to the Civil Veterinary Department. His appointment will be subject to one year's probation, as laid down in paragraph 10, clauses 4 and 5, of circular No. 80 of the 18th October 1889. I am to suggest that, if His Excellency the Governor in Council has no objection, he may be locally gazetted under the title of Superintendent, Civil Veterinary Department, Madras, after he has been formally posted to the Civil Veterinary Department.

6. It is understood that Veterinary Captain Burke has volunteered for civil employment subject to acceptance by him of the rules for the Civil Veterinary Department when they are published. He should be informed of the scale of salary* and travelling allowance admissible to him under the orders now communicated, and that he will not be called upon to elected for permanent civil employment for one year from date of appointment to the Civil Veterinary Department.

	Rs.
* Indian military pay and allowances as Veterinary Surgeon, 1st class ...	600
Civil allowance	300
Total ...	900

7. His Excellency the Governor-General in Council will be glad to receive in due course a copy of any orders which may be issued defining the duties of the Superintendent, Civil Veterinary Department, Madras.

ORDER—dated 9th June 1892, No. 583, Revenue.

Miscellaneous.

The second of the papers read above will be communicated to the Commissioner of Revenue Settlement and Director of the Department of Land Records and Agriculture and to the Accountant-General for information and guidance.

2. The Government has no objection to accepting the suggestion of the Government of India regarding the alteration of the designation of the Inspector of Cattle Diseases, and the following notification will accordingly be published in the *Fort St. George Gazette*:—

CHANGE OF DESIGNATION.

The designation "Inspector of Cattle Diseases, Madras," is changed into "Superintendent, Civil Veterinary Department, Madras."

3. The question raised in Veterinary Captain Burke's letter embodied in the first of the papers read above will be considered in the Public Works Department.

4. The following letter will be despatched to the Government of India.
