OFFICE NOTE No. 813

To

W.

In para 2 of your office note No. 2828 C. dated 29th. May 1892, 3 Executive Engineers 2nd. Grade are shown as transferred to this Presidency for famine duty, including Mr. Watson, who has been attached to this Presidency for a considerable period, but whose services had been transferred to Burma in Government of India P.W.D. notification No. 44 dated 13th. February 1892, but who, I understand was ordered to continue in this Province in consequence of the famine.

2. Please state if it is intended to charge Mr. Watson's pay to "famine" if so from what date should it be so charged. And is it intended to give him the extra allowance referred to in Civil Service Regulations, article IOI; and if so, from what date?

3. I beg also to enquire whether the allowances authorized in article IOI Civil Service Regulations, are to be admitted to all the officers and to all the subordinates transferred to Madras

from other Provinces in connection with famine. Of the 5 Executive engineers referred to in para 2, three are employed on famine works, viz

Mr. A. Monies, Executive Engineer 3rd. Grade.

„ R. D. Chatterjee, Executive Engineer 4th. Grade temporary.

„ Watson, Executive Engineer 2nd. Grade.

Messrs. Faulkner and Amrito Lal Roy Chowdry Executive Engineer 2nd. Grade are in the Tinnevely and Madura Divisions respectively, but it is a question whether they come, or do not come, under the provisions of Civil Service Regulations article 101. All the Upper Subordinates are however employed in Famine Divisions.

For orders -

Mr. Watson is included in the three 2nd. Grade mentioned in para 2 of this office note

no. 2626 C of 29.5.92.

By famine operations had not been started in the Chingleput & Anant districts last year, Mr. Watson would have reverted to duty under the R. & S. M.

It seems only proper therefore that his pay should be charged to Famine from the date he joined the Kala-hasti sub-division.

It seems right also that he should draw the extra allowance

he joined the Kala-hasti

famine to
 Presidency & other
 hills that in which he
 is serving - He is
 also - He has
 no more interest in
 by going to Famine
 work than any other
 Engineer on the Madras
 List -

As he was also
 came from Madras

 the authorities,

FOR ORDERS.

18/5
 Mr. Watson is
 included in the three
 Executive Engineers 2nd
 grade mentioned in
 para 2 of this office
 note No. 2626 C dated
 20 May 1892. If famine
 relief operations had
 not been started in
 the Chingleput and North
 Arcot Districts last year,
 Mr. Watson would
 have reverted to duty
 under the Govt. of Madras
 it seems only proper
 therefore that his pay
 should be charged to
 "Famine" from the date
 he joined the Kalahasti

Remindari sub division,
viz. the 21 February 1897

2. As regards the allowances
authorised by Art. 101
C.S. Regulations, it is
observed that Mr.
Watson who was
serving for nearly
two years on South
Restoration Works
before he was put
in charge of famine
relief works, can hardly
be said to have been
deputed to famine work
in a Presidency other
than that in which
he was serving. He
was no more inconvenienced
by going to famine work
than any Engineer on
the Madras List. He
does not therefore
appear to be entitled
to the extra allowance
of all the four officers
and six upper subordinates
who

who come from Bengal
should apparently receive
the allowance, including
Messrs Faulkner and
Roy Chowdry, who are
employed on ordinary
duties in the Tinnevely
and Madras divisions.
The two latter were
certainly deputed to this
Presidency for famine
work, and so come
under the operation
of Art. 101 C.S. Regs.

W. 15.6

J. 1897
N. 15.6

I agree as to Mr. Watson. But I
think that allowances under Art.
101 cannot be claimed to men
not employed on famine duty but
on ordinary work.
