To

THE

Secretary to the
Government of Madras,
Public Works Department

Dated Calcutta, the 30th Sept. 1891.

Sir,

With reference to the supply of
certain surplus iron from your Department
to the Calcutta Workshops Division as
requested in this office letter N^o. 902 A of
the 20th March last, I am directed to state
that the Executive Engineer of the Division
reports that the General Superintendent of
Stores, Public Works Department, Madras
in carrying out your instructions on the
subject has added freight and other
charges to the value of the stores in
question, whereas the rates offered by
this Department as put forward in
the list accompanying the letter quoted

above

1278489.5.91

above, included delivery at the work-shops. Judging from the fact that the order was readily complied with, the rates offered were evidently accepted. I am therefore to request that the transfer of the iron may be ordered to be made in accordance with those terms.

I have the honor to be,
Sir,
Your most obedient servant.

SUPERINTENDING ENGINEER'S OFFICE,

Chopák, 5th January 1892

No. 38

From

Lieut Col: D. M. Neil Campbell R.E.

SUPERINTENDING ENGINEER, V CIRCLE,

To

THE

Chief Engineer
P.W. Department

SIR,

Enclosures.

With reference to your
Endorsement No 4366 C dated 6th
October 1891, returned, I have
the honor to forward a list (A)
showing the iron to the value of
Rs 1108 transferred from the P.W.
stores here to the Calcutta Workshops
as proposed in this Office No 2000
dated 28th April 1891, It will be
seen that the rates as approved
in G.O. No. 1278 W. dated 9th May
1891 are charged and that an
additional charge of Rs 138-14-10
is

1278 W. 9.5.91

5/1
P.W. 157/11

is made an account of cooly—
hire ————— Rs 7—8—9
Freight ————— 121—10—4
Harbour dues. ————— 9—11—9.

— The Calcutta workshops
having quoted rates to include
charges for delivery at those shops.
the rates approved in the G.O.
above alluded to have been
evidently taken by the Bengal
Government to include such
charges. & hence their objection
to separate delivery charges being
made

2. Under these circumstances
I would recommend that the
freight and other charges above
mentioned be borne by the Madras
P.W. Stores.

3. I should mention that by
some mistake in the P.W. Stores
iron as shown in the accompany-
ing list (B) to the value of —
Rs.

P. 338-2-a not intended to be
transferred to the Calcutta —
workshops has also been despatched
to those shops in addition to that
entered in list (A). In this case
the freight and other charges
which amount to Rs 37-7-3
should also I consider be
charged to the Madras P.W. Stores

I have the honor to be
Sir

Your Most Obedient Servant
