EXTRACT from the Proceedings of the District Board of Tanjore

dated 30th April 1852

1852

28. ^{RECU} The President informs the meeting that the Government has sanctioned the erection of Public offices for the Collector and the Revenue Establishment on the Maidam to the west of the District Court, and proposes to the Board that advantage should be taken of this opportunity to obtain the sanction of Government to provide accommodation in the new offices for the Board's Engineer and his clerical Establishment.

An office for the Engineer, accommodation for 10 clerks, and a record room would be required.

He

He believes that a sum of
Rs. 10,000 would probably cover
the cost of the required accom-
modation and that Government
would allow the Board to pay
the amount in two or three
annual instalments. He there-
fore proposes to the meeting that
Government be requested to
provide in the new Cutcherry
the necessary rooms for the Board's
Engineering Establishment, and
that the Government be requested
to inform the Board what the
cost would be.

Seconded by Mr. J. Pattabhisam
Pillai Avergal, Rai Bahadur.
