SIR,

ENCLOSURES.

With this office No. 187 N. dated 8th April 1892, a revised estimate amounting to Rs 8,700 for construction of a goods shed at Tuliatorin, was forwarded to the Presidency Port Officer, Madras, for submission to Government for sanction, and it is observed that it was forwarded by that officer to the Chief Secretary to Government with his letter No. 1056 L. dated 27th April 1892, but no orders appear to have been passed thereon.

2. In this office No. 1322 T.N., of the 25th March/92 a report was made of ^{the} acceptance of Messrs. Massey & Co's contract of Rs 7,364 for the shed to be delivered at Tuliatorin and

Referring to G. O. Financial ¹⁴³₁₄₃,
dated 18th February 1892, I have the honor to
forward in original letter ¹⁸₁₈ T. N. dated 18th
April 1892, and its enclosures, from the
Superintending Engineer II Circle, and to request
that under the circumstances explained therein,
the revised estimate of Rs (8700) eight thousand
and seven hundred for the proposed goods shed
at Tuticorin plus Rs (2,132) two thousand one
hundred and thirty two for Public Works
Supervision and Tools and Plant may be
sanctioned and funds allotted in the usual
course. The expenditure can be met from the
Tinnevely District Port Funds.

From the Presidency Port Officer, Madras, dated 2nd June
1892 ¹⁰⁵⁶₁₈₀ G.

Order, 10th June 1892 ¹⁹⁶₁₉₆.

In the opinion of Government
the cost of erecting the proposed goods shed at
Tuticorin

Tuticorin would not be a legitimate charge on Port Funds proper. In any case it should await a decision on the question of the provision of a pier or jetty which is much more necessary and which would probably require all available funds.
