24TH JUNE 1892, No. 1358 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

Read—the following paper:—

G.O., dated 8th June 1892, No. 1068, Judicial.

Read—again the following paper:—

G.O., dated 4th March 1892, No. 430, Judicial.

Read—the following paper:—

From the Inspector-General of Police, dated 15th February 1892, No. 880.

ABSTRACT.—Forwarding, for sanction, the Public Works Department plan and estimates, amounting to Rs. 6,750, for the construction of a separate police ward in the compound of the Civil Hospital at Gúdalúr in the South-east Wynaad, Nilgiri district.

Order—dated 4th March 1892, No. 430, Judicial.

The estimate is excessive and must be revised. The side verandahs could be omitted.

(True Extract.)

(Signed) J. F. PRICE,
Chief Secretary.

Read—also the following paper:—

From the Inspector-General of Police, dated 25th May 1892, No. 3145.

With reference to G.O., No. 430, dated 4th March 1892, Judicial Department, returning, for revision, the Public Works Department plan and estimate, amounting to Rs. 6,750, for the construction of a separate police ward in the compound of Civil Hospital at Gúdalúr in the South-east Wynaad, Nilgiri district, I have the honour to state that the District Surgeon, Nilgiris, is of opinion that it is not advisable to build the hospital *without* verandahs which are required particularly in front of the building. I entirely agree with him and consider that in a damp climate like Gúdalúr, where there is copious rainfall, verandahs to the building are absolutely necessary. The Superintending Engineer has reduced the estimate to Rs. 5,900 substituting—

- (i) Brick in mud instead of brick in chunam.
- (ii) Venteak instead of teakwood.

I think, however, that, in a place like Gúdalúr, where white ants abound, it is a mistake to use brick in mud instead of brick in chunam.

Order—dated 8th June 1892, No. 1968, Judicial.

In the circumstances stated, the original estimate, amounting to Rs. 6,750, is approved and will be transferred to the Public Works Department for the necessary action.

(True Extract).

(Signed) A. BUTTERWORTH,
Ag. Under-Secy. to Government.

ORDER—dated 24th June 1892, No. 1858 W., Public Works.

The estimate, amounting to Rs. 6,750, for constructing a police ward in the compound of the Civil Hospital at Gūdalūr in the Nilgiri district, is sanctioned for execution when funds are available.

2. This sanction has been registered as Provincial No. 22 W. of 1892-93 and classified as Civil Buildings, Original Works.

(True Extract.)

dated 25th May 1892 No. 3145.

With reference to G.O. No. 430, dated 4th
March 1892 Judicial Department, returning for

revision

2

revision the D. P. W. plan and estimate amounting to Rs 6750--- for the construction of a separate Police Ward in the compound of Civil Hospital at Gudalur in the South East Wynand Nilgiri District, I have the honor to state that the District Surgeon Nilgiris is of opinion that it is not advisable to build the Hospital without Verandahs which are required particularly in front of the building. I entirely agree with him and consider that in a damp climate like Gudalur where there is a copious rain, full Verandahs to the building are absolutely necessary. The Superintending Engineer has reduced the estimate to Rs 6,300. substituting -

- (1) Brick in mud instead of brick in Chunnam.
 - (2) Puteak instead of teakwood.
- I think however that in a place like Gudalur where white ants abound it is a mistake to use brick in mud instead of brick in chunnam.

Order 8 June 1892, No 1068, *Indra*
 In the circumstances stated the original estimate amounting to Rs 6750--- is approved and will be transferred to the Public Works Department for the necessary action.

Flooring in the 3/4 asphaltic laid on 4" of concrete
Kangaroo mat except the verandah which are
to be of 3" of cement concrete laid on 4" of ordinary concrete
Roofing in the 4" of corrugated iron & Mangalore tiles
laid on timber & purlins.

Roof timbers are of teakwood

Scantlings are correct.

Doors and Windows are of teakwood & of the
descriptions which in the estimate.

Lightning Conductors with.

Rates are fair.

The plinth area of the main building is
2,636 square feet, and the cost per square
foot will be Rs. 2.9.0.

The Plan and Estimate have been
countersigned by the Inspector General of
Police

and approved in the Judicial Dept.

Department.

REMARKS.

The accommodation for the Police at
the present S. F. Hospital at Gudalur is
stated to be insufficient for Police patients,
hence it is proposed to construct a new dis-
tinct ward with bath & other conveniences
attached & with a verandah 7 1/2 feet all-
round in the circumference of the present
Hospital as is to accommodate 10 patients,
allowing a floor area of 100 sq ft per man
in the ward.

The original estimate for the work amounted
to Rs 6,750 this estimate was not approved
in the Judicial Dept. as it was considered
excessive. The estimate submitted amounting
to Rs 5,900 was next submitted. This is

The estimate is much provided for the
main building from teakwood to iron
work. The Inspr. General in forwarding
this estimate to Govt. suggested
that the use of inferior materials for
a place like Gudalur would be a
mistake. On this suggestion the origi-
nal estimate amounting to Rs 6,750 is
improved in the Judicial Dept.
The report accompanying this is
submitted explaining the necessity for
the work.
