3. The replies to inquiries made after the Examination of Accounts for February 1892, regarding works for which it seems probable that Completion Reports are due, have not yet been received from the Vizagapatam Division.

4. I would propose, with the sanction of Government, to include reports of this nature, in the quarterly Provincial Objectionable Item Statements (vide Government of India G. W. D. Code, volume II, Chapter XIV para 63), as required by that Government, and thus get rid of these special reports, which are in my opinion quite unnecessary.
