29TH JUNE 1892, No. 1887 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following papers :—

From Colonel C. A. PORTEOUS, Inspector-General of Police, to the Chief Secretary to Government, dated Madras, 27th May 1892, No. 3167.

I have the honour to forward, for sanction, the Public Works Department plans and estimates, amounting to Rs. 6,500, for the construction of 23 Police huts for the Town Police at Tirupatūr, Salem district. The estimate for Rs. 1,600 for the construction of a second-class station house at this station has been returned counter-signed to the Superintending Engineer, IV Circle, as he is empowered to pass it.

2. As at Vaniyambadi, so at this place, there are no huts and the men live scattered all over the town and it is difficult to get them together when emergently wanted. Huts are therefore urgently required at both these places and I request that funds may be appropriated for them at an early date. I consider that these works should be carried out by the Public Works Department as skilled supervision is necessary.

3. A good site in the cart-stand, measuring 1-30 acres and on Government land, has been secured for hutting the whole

No. 3011 C.

Referred to the Superintending Engineer, IV Circle, for report whether there are any special reasons for increasing width of walls from 10" to 13½".

14th June 1892.

(Signed) J. PENNYCUICK, Colonel, R.E.,
Chief Engineer, P.W.D.

From Lieut.-Colonel R. B. E. DRAKE-BROCKMAN, R.E., Superintending Engineer, IV Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 17th June 1892, No. 280 W.

With reference to your endorsement No. 3011 C., dated 14th current, on a letter from the Inspector-General of Police, submitting, for sanction of Government, an estimate for the Police huts at Tirupatūr, I have the honour to state that the thickness of the walls, as allowed in the standard design, appeared to be slightly inadequate for "brick in mud" and so it has been increased to $18\frac{1}{2}$ inches or the measurement of a brick and a half of $8\frac{1}{2}$ " mould.

ORDER—dated 29th June 1892, No. 1887 W., Public Works.

The estimate, amounting to Rs. 6,500, for constructing 23 Police huts at Tirupatūr in the Salem district is sanctioned, but there are no funds available for allotment to the work at present. The demand will, however, be kept in view and an allotment made later in the year if possible.

2. This sanction has been registered as Provincial No. 23 W. of 1892-93 and classified as Civil Buildings, Original Works.
