is sanctioned, when

The circumstances
under which the
Vijayawada road fell to
the charge of the P. & M.
Dept. are explained in
Colonel Malet's note
attached to G.O. No. 10
of 14th June 1891. The length
of this portion of the
main line is 4.3 miles.

The improper tone
of Mr. Allen's letter

For orders.

Note for the H.M.

In G.O. No. 1752 W of
13th June 1892, a sum of
Rs 50,000 was withdrawn
from the budget grant of
Rs 1,55,000 for the New
Women and Children's
Hospital at Madras.

It would appear from
the accompanying copy
of a remark by the H.M.
in Military Department
Current No. 3589, that he
is of opinion that there
is no likelihood of any
portion of the grant
being utilised this year.

It is therefore proposed
to resume the balance
of the grant, viz. Rs 1,00,000,
and to reappropriate
the amount as shown below.

 49, 65, 81 and 107 of the

 Stem 13 of the statement
 has been excluded as the
 estimate for the work has
 not yet been sanctioned.
 (b) From among the new
 works for which estimates
 have been sanctioned
 and for which funds
 have been applied for
 in the statement, Stem
 54 has been selected for
