ECCLESIASTICAL DEPARTMENT.

READ—the following paper :—

No. 170.

GOVERNMENT OF INDIA, HOME DEPARTMENT (ECCLESIASTICAL).

Corrigendum.

The following alteration in Part I of the revised Ecclesiastical Rules promulgated by Home Department Notification, No. 103, dated the 20th June 1885, is published for general information :—

Rule IX.—Substitute the following for this rule :—

Where there is a resident Chaplain he is responsible for the arrangements for digging a grave and shall, ordinarily, arrange for the preparation of a coffin. Should he find or anticipate difficulty in making private arrangements for the preparation of a coffin, he should apply in military stations to the senior Military officer, and in civil stations to the chief local Magistrate, to make the necessary arrangements, and these officers are authorized to direct any local Public Works officer to supply all that is necessary. The local Public Works officer would usually be the Executive Engineer of Military Works in military stations and the Civil Executive Engineer in civil stations; but the senior Military officer in a military station and the chief local Magistrate in a civil station may, in cases of emergency, direct the Civil Executive Engineer or the Military Works Executive Engineer, respectively, to make the necessary arrangements. The resident Chaplain is in all such cases responsible that timely notice is given to the Government officers who may be called upon to arrange for the preparation of a coffin.

The senior Military officer in a military station and the chief local Magistrate in a civil station may, should the resident Chaplain report that private arrangements for the preparation of coffins are not feasible, issue a general order on the Executive Engineer, Military Works, and the Civil Executive Engineer, respectively, to prepare coffins upon the requisition of the resident Chaplain. The expenditure incurred by the Executive Engineer will be held in his miscellaneous advance account till repaid by the officer under whose special or general order it was incurred.

During the absence of the resident Chaplain from the station the senior Military officer in a military station and the chief local Magistrate in a civil station shall be responsible for the arrangements for digging graves and preparing coffins.
