GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

18th August 1886, No. 4987.

Transport.

Read the following paper:—

No. 233. From Major-General O. B. NEWMARCH, Secretary to the Government of India, Military Department, to the Secretary to the Government of Bombay, Military Department; dated Simla, 29th July 1886, No. 1180-C.

Transport.

I am directed to acknowledge the receipt of your letters noted in the margin, in which the question is raised whether Medical Staff Officers may be held to be included in the term "all other Departmental Commissioned Officers," used in Para. 454, Part I, and Para. 365, Part II, Transport Regulations, who are allowed free conveyance by sea and rail for a charger as the ordinary complement and when proceeding on field service.

2. In reply I am to say, for the information of the Governor in Council, that, both at home and in this country, the grant of free conveyance for chargers to Staff and Departmental Officers is regulated by the fact of the officers being in receipt of forage or horse allowance, either as a separate item, or as part of their pay; and that the Government of India consider it desirable that this principle should be adhered to as far as possible. The circumstances under which horse allowance is admissible to Surgeons of the medical staff are detailed in Clause 64, India Army Circulars, 1885, and this order coupled with the rule in Para. 458, Part I, and Para. 369, Part II, Transport Regulations, to the effect that every Medical Officer doing duty with troops proceeding on field service is allowed free conveyance by rail and sea for one horse, is sufficient to show that Surgeons are not included in the entry "all other Departmental Commissioned Officers," who are allowed free conveyance for one horse both as ordinary complement and on field service.

3. The Governor-General in Council is of opinion that the requirements of the case, so far as Medical Officers not in receipt of horse allowance are concerned, will be sufficiently met if, in addition to the concession referred to in Para. 458, Part I, and Para. 369, Part II, Transport Regulations, free conveyance for a charger be allowed to such officers when proceeding to or from camps of exercise or when accompanying a regiment moving partly by rail and partly by route march. Sanction will accordingly be conveyed to the modification of the regulations to this extent.

4. To provide for the cases of Medical Staff Officers having the relative rank of Field Officers, it will be suggested to the Commander-in-Chief in India to reconstruct Para. 369, Transport Regulations, Part II, on the lines of Para. 458, Part I.

5. The case of Surgeon R. J. Power, referred to in your letter of the 20th February 1886, may be disposed of in accordance with the decision in this letter.

GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

Transport.

Read the following paper:—

No. 291. From Captain E. DEBRATH, Assistant Secretary to the Government of
India, Military Department, to the Controller of Military Accounts, Bombay
Circle; dated Simla, the 6th June 1892, No. 1090-C.

Transport—Railway.

In reply to your letter, No. 223-A, dated the 21st March 1892, I am directed
to say that the orders conveyed in Military Department letter No. 639-F, dated the
9th March 1892, in which it was ruled that the staff salaries of 2nd and 3rd class
station staff officers must be held to include horse allowance, did not cancel the
decision conveyed in Military Department letter No. 240-C, dated the 29th January
1892, in the case of Captain Tritton, which was governed by the rules then in force.

2. As, however, horse allowance is now included in the staff salaries of 2nd
and 3rd class station staff officers, these officers will be entitled to free conveyance
for one charger under the ruling contained in para. 2 of Military Department letter
No. 1180-C, dated the 29th July 1886.

From Major-General E. H. H. COLLEN, C.I.E., Secretary to the Government of India,
Military Department, to the Secretary to the Government of Bombay, Military
Department; dated Fort William, the 29th January 1892, No. 240-C (Transport—
Railway).

I am directed to acknowledge the receipt of your No. 2336, dated the 4th December 1891,
requesting sanction to the admission of the
charge, amounting to Rs. 75-15-0, incurred on
account of the conveyance by rail from Rajket

to Kirki of the charger of Captain C. Tritton, 24th Bombay Infantry, on the occasion of his
transfer in February 1891 to take up the appointment of station staff officer, 3rd class, at the
latter station.

2. In reply, I am to invite attention to the decision conveyed in Military Department
letter No. 1180-C, dated the 29th July 1886, and to say, for the information of the Governor
in Council, that the Government of India concur in the opinion of the Controller of Military
Accounts, Bombay Circle, that horse allowance not being included in Captain Tritton's pay as
station staff officer, 3rd class, he was not entitled to free conveyance for a horse on the
occasion referred to.

Copy of the above, together with a copy of Military Department No. 240-C,
dated 29th January 1892, forwarded to the Secretary to the Government of Madras,
