With reference to your No. 548 dated 3rd February 1895, I have the honor to inform you that although Public Works Code Volume II Chapter XVI para 156 lays down that Compensation for Quarters for Medical and Military Subordinates should form a Charge against the grant for repairs to Mily Works, I am of opinion that this ruling does not hold good in the case of such stations as Coimbatore & Trichinopoly, which have not yet been taken over by the Military Works Department and that there the disbursement should if made by the Public Works Dept.

SIR,

I have the honour to forward for your information the enclosures noted in the margin and to state with reference thereto that the house rent allowance for the house occupied by Sergeant Instructor B. Beckett at Cuddapah for the months of December 1891, January and February 1892 has not yet been paid, the amount chargeable for rent for this house has been deducted from the Sergeant Instructor's pay month by month as it became due, consequently this N. C. Officer is out of pocket to the amount of Rs 45, and as there does not appear to be any probability of the money being

be submitted to the Public Works Department being disbursed by the Sub-Divisional Officer, Military Works, Bellary I have to request you will be so good as to take such steps as will ensure speedy payment.

I may here remark that this correspondence on the question of payment of house rent, and hire of houses for the permanent Staff is assuming voluminous proportions and takes up considerable time which I can ill afford, and if you cannot see your way clear to yourself ordering payment at a very early date I must request that the matter be referred to His Excellency the Commander-in-Chief or if need be to the Right Honorable the Governor in Council, for disposal.

In forwarding the enclosed bill for Rs 15 being rent claimed for December 1891 on account of Railway Bungalow occupied by Sergt Instructor B Bilott I have the honor to state that the Bill in question for hired quarters was returned to the Office Commanding Madras Railway Volunteers by this office together with a copy of your letter No 1165 of 16 Feb 1892 for information.

18/1

The Commandant Madras Ry
Volunteers

G. W. Allen & Co.—[illegible]

Volunteers forwarded the above documents to the Exe: Engineer Bellary for disposal and he again transferred them to the Asstt Engineer Mily Works, Bellary for disposal stating that there were no funds at his disposal to meet such charges and as the Mily Works were in charge of the Mily Works Deptt that this was a charge for that Deptt.

The Asstt Engineer Mily Works Deptt, Bellary returned the Bill &c to this Office.

Instructions are therefore requested as to the disposal of this case.

The fact of the M. W. D having taken over Bellary does not appear to affect the question, as Cuddapah has not been so taken over, & as the house in question was engaged in Cuddapah & without the intervention of this Deptt. I think the P. W. D should pay the rent.

In order that cases of this sort may not recur (and they are very

very frequent [illegible] present) I have the honor to request that you will kindly ~~ask~~ obtain a ruling as to whether Standing order No $\frac{104}{26\text{-}6\text{-}85}$ (amending Vol II P. W. D. Code Chapter XVI para 156) applies to all Stations in the Madras Presidency or only to such Stations as have been taken over by the M. W. D.

Public Works Department

Proceeding of the Madras Govt.

Read the following:-

From the Chief Engineer Madras Command, Military Works No 1364 dated 23rd February 1892. (949/11)

I have lately been receiving demands for payment of house rent for quarters occupied by Serjt Instructors in Volunteer Corps at stations such as Coimbatore, Trichinopoly, Berhampore, Ootacammund, Vayitri &ca, not under the charge of the Military Works Department.

2 To avoid the occurrence of demands of this nature coming to my office in future, I have the honor to suggest that although the $\frac{G^{o}}{M\,212}$ Public Works Department Code, Chapter XVI para 156 lays down that compensation for quarters for Medical and Military Subordinates should form a charge against the grant for

"Repairs

"Repairs to Military Works" that ruling does not in my opinion hold good with regard to stations not under the control of the Military Works Department.

I think disbursements for rents at stations above referred to should be made by the Public Works Department, and debit to the account for Military Works Repairs placed at your credit by the Director General of Military Works.

If you concur would you kindly communicated with the Pay Examiner Military Accounts Madras, and the Supg Engineers of the II and IV Circles.

---

Order thereon No. 769 W of 9th March 1892

The rule referred to by the Chief Engineer Madras Command, Military Works provides that compensation for quarters claimable by Medical and Military subordinates will be paid by and adjusted against the Military Works Department if the officers are employed in the Military Department otherwise the charges will be paid and borne by the Department in which the officers are actually employed and to which their salaries are debited.

2 The subordinates now in question are not in the employment of the P. W. Department and there thus seems no reason why claims on their behalf to house rent should come to this department for adjustment.

Sir,

1947/D

With reference to your No. 218 dated 3rd February 1892, I have the honor to inform you that although Public Works Code Volume II chapter XVI para: 156 lays down that compensation for quarters for medical and Military subordinates should form a charge against the grant for Repairs to Mil: Works, I am of opinion that this ruling does not hold good in the case of such stations as Coimbatore and Trichinopoly, which have not yet been taken over by the Military Works Department and that there the disbursement should if made by the Public Works Dept. be debited to grant placed at disposal of the

Chief

Chief Engineer Public Works Dept.
by the Director General of Mily. Works
for repairs Military.

Proceedings of the Madras Government

Read the following

From the Chief Engineer, Madras Command, Military Works, No. 1364 d/23rd February 1892.

Order thereon No. 769 W dated March 9, 1892

The rule referred to by the Chief Engineer, Madras Command, Military Works provides the compensation for quarters claimable by Medical and Military subordinates will be paid by and adjusted against the Military Works Department if the Officers are employed in the Military Department. Otherwise the charge will be paid and borne by the Department in which the Officers are actually employed and to which their salaries are debited.

2. The Subordinates now in question are not in the employment of the P. W. Department and there thus seems no reason why claims on their behalf to houserent should come to this Department for adjustment.
