PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

From the Collector of South Arcot, dated 15th
August 1891 Ref: on No ⁴⁸⁸⁰ Eng.

I have the honor to submit the following matter for the orders of Government. The Kumbabishebam Festival was held at Chibaram from 12th to 17th April 1891 and on the 2nd April 1891 the Chairman of the Municipal Council, Chibaram addressed my predecessors regarding water supply to the town for festival. Mr. Power then asked the Executive Engineer to make arrangements for providing supply to the Municipal tanks.

2. On the 6th April 1891 the Acting Head Assistant Collector Mr. Swaminatha Aiyar stated as follows:—

"The Nattubottai Chettu (sic) here has with a view to save delay and avoid disappointment

disappointment arranged with the Assistant Engineer to bear himself the cost of diverting water into the Vactavar and that officer has also sent a Maistre to the Amicut to take the necessary steps in the matter.

3. On 21st April the Executive Engineer reported that special arrangements had been made to supply the town with water and on the 9th May 1891 that officer forwarded an estimate amounting to Rs 494 for work done and establishment employed for the purpose of diverting water from the Coleroon at Lower amicut to Chetambaram.

4. This estimate was forwarded to the Head Assistant Collector in view to recover the amount from the Nattukottai Chetti as agreed. But the Head Assistant Collector reported that the Nattukottai Chetti (V.S. Chedambaram Chettiar) objected then to pay the amount vide Translation of his statement dated 3rd June 1891 enclosed. The question now is who is to pay this money.

5. On the 17th July 1891, the Superintending Engineer V Circle forwarded the estimate referred to

194/2
to in the previous para requesting to recover the amount either from the temple authorities or from the Municipality whichever the work belongs to. This letter was forwarded by me to the Chairman with a remark that as the water was brought into the town for a local festival the Charge seems a proper one for the Municipal Council to bear. Between the Nattukottai Chetti and the Head Assistant the agreement made was vague and I see no chance of recovering the money from him. He does not seem to have agreed to pay any fixed amount and I doubt if a vague promise to pay for bringing the water in is sufficient to bind him especially as the advance he made towards the work was refused.

6. The Chairman now states that the Charge is not a legitimate one on Municipal Funds vide copy of Resolution No. 1 Dated 11th August 1891 enclosed and I have therefore the honor to request orders of Government on the subject.

therefore be paid at an early date; but in the
