Government of Madras
Account-Recovers Military Department 1916/
N^o 1607 Fort St. George, the 6th March 1888

From the Secretary to the Government
of India, Military Department, to the
Secretary to the Government of Madras,
Military Department N^o 235 4, dated
Fort William 28th February 1888.

In reply to your endorsement
N^o 879 dated the 9th February 1888, sub-
mitting for transmission to the Secre-
-tary of State for India, for recovery,
a claim of Rs 18-4-4 preferred against
Lieutenant F. F. Kelly, 2nd Battalion
South Wales Borderers, on account
of rent of Public Quarters occupied
by him, I am directed to acquaint
you, for the information of His
Excellency the Governor-in-Council,
that having in view the smallness
of the amount and the delay
which has occurred in preferring
the

in this office, nor was the fact of the arrival of and occupation of the same by this Lieutenant ^{reported} in time as explained below, by the then officer commanding that Station which should have been done as per code Para. 1199 Clause I.

3. In the monthly statement of occupation for January submitted by the commanding officer, there appeared the name of Lieutenant Ly Head as occupying "Officers' Quarters No. 1" from 1st to 26th January with a remark that they were vacant since, consequent on his transfer to Wellington, when an enquiry was made as to where the Lieutenant Ly Head had been living previous to January.

4. In answer the commanding officer stated that this Lieutenant had arrived at Malapuran on the 31st December 1889, to relieve Lieutenant W. R. Inglis in occupation of the Chaplain's room at back of the Church from 16th November 1889 to date of departure, when alone this office has become aware

aware that there was an officer like Lieutenant W. R. Inglis in occupation of the above room who was then on his way to England. Perhaps he thought he was not bound to pay as he was not living in the quarters built for him.

5. The Controller, Military Accounts, who was written to for the recovery of Rs 18-12-0 from the Lieutenant out of India, has stated that, owing to delay in obtaining the necessary information as to his occupation, and having regard to the fact that the withdrawal of a similar small amount of Rs 18/- was sanctioned in the case of one Lieut. F. F. Kelly by the Government of India. Vide (Military Department) G. O. No. 1607 of 6th March 1888, (a copy of which is enclosed for ready reference) it is not considered advisable to prefer the claim under reference to the Secretary of State for recovery from the Lieutenant. He suggested therefore that the sanction of Government

To W.

There is no audit objection to the withdrawal of the claim with the sanction of Government as it is one that only affects Provincial Revenues.

Para 2 of Executive Engineers letter.

2. It however appears desirable that the omission on the part of the Commanding Officer at Mallapuram, to keep the Executive Engineer informed of the occupation of public building by Lieut. W.R. Inglis should be brought to the notice of Government in the Military Department. Another case has recently occurred in which Lieut. H.P. Leader of the same station was allowed to go to England without paying arrears of rent due by him. This matter is now under correspondence with the Controller of Military Accounts, Madras.
