Copy of letter from the Accountant General P. W. D.
to the Examiner P. W. Accounts Madras No 1119 & dated 24th Nov 1878

In reply to your letter No 133 A dated 14th instant, I have
the honor to state that as the period passed by Mr Somers
Enr Assistant Engineer in ~~England~~ in England on pay
while under practical training, counts as service towards
furlough the pay received by him during such period so far
as it is included in the 3 years immediately preceding his
taking leave must apparently under the rules quoted, be
taken into account in calculating his furlough allow-
ances. His English pay should be converted into Indian
currency at the rate of exchange of the year in which
it may be paid.

Copy of letter from the Examiner
of P.W. Accounts Masters to the Asst.
Comptant General P.W. Department
No. 133 A. dated 14th November 1885.

I have the honor to request
the favor of your instructions as
to whether the English pay drawn
by a Cooper's Mill Engineer while
undergoing practical training in
England should be included in
calculating the average salary
drawn by the officer for the compu-
tation of his furlough allowances.

2. Mr Somers-Eve was appointed
from the Royal Indian Engineering
College as Assistant Engineer 2nd grade
his letter of appointment specifying
that his services for furlough and
pension counts from date (1-10-82)
of his appointment. Mr. Somers-Eve
may possibly proceed on furlough
to Europe owing to ill-health and
having rendered three years continuous
active service from 1-10-82 is entitled
to half average salary during his ab-
sence on furlough under Sections 50
and 54 of the Civil Service Code. The
present enquiry is made with a view
to ascertain whether the pay drawn
by Mr. Somers-Eve in England while
under practical training should be in-
cluded in the calculation of average
salary drawn or whether the average
salary should include only salary drawn
prior the date on which Mr. Somers-Eve
commenced to draw his Indian
pay

The Secretary to Government
P. W. D. Madras

Sir

I have the honour to forward a
copy of a letter from the Indian Office
F 4876 of 2nd instant, & beg to
request that my leave & furlough
certificate may be forwarded to
me at the above address.

As regards the amount of my
furlough pay, it appears to me
to be a matter for consideration
whether my average salary
should not be calculated
upon my salary for the last
3 years in India, exclusive of
the year spent at Chatham
on duty - The furlough rules are
based on Indian service &

To

W.

Your office note No. I.C. dated 4th. January 1892 and G.O. No. 52 W. dated 5th. January 1892.

Under P.W. Code Appendix O, Rule VII, note 3, the period spent at Chatham on duty counts as service for furlough, as it counts as "Active Service" (vide also Civil Service Regulations article 337). "Average Salary" as defined in Civil Service Regulations article 18 therefore includes the pay drawn by the officer while at Chatham.

2. In the similar case of Cooper's Hill Engineers who are granted English pay while under practical training in England but whose service for furlough counts from a specified date, it has been ruled that the English pay drawn should be taken into account in calculating furlough pay vide correspondence copies enclosed.

3. In the similar case of Major Boddy R.E. the information was obtained

Examiner's letter No. I33 A. dated 14th. November 1885 to the Accountant General P.W.D. Accountant General's (P.W.D.) reply No. III19 E. dated 24th. November 1885 to the Examiner.

from the India Office, vide G.O. No. 445 W dated 15th. February 1889, and under the circumstances, I would suggest that the point be referred to the Government of India for decision.
