Note.

19th/₄

In the Bagawada Municipal Council's revised estimate for 1890-91, a sum of Rs. 1500 was allotted for contributions towards the construction of a choultry in Buckinghampet, "out of funds raised partly by subscriptions and partly by grants from the District and Taluk Boards and Municipality" - vide para 11 of the Chairman's letter in G.O. dated 26th March 1891 No. 464 M. This amount, however, was not utilised in 1890-91, and in the report for that year, the Chairman stated that the construction of the choultry would be undertaken in 1891-92 - vide para 35 of the Chairman's letter in G.O. dated 7th August 1891 No. 1230 M. In the revised estimate for 1891-92, Rs. 6,000 were provided for expenditure on the work, and credit was taken for a corresponding amount as contribution from the Amudal choultry committee. The work was reported to have been commenced, and the contribution was expected to be paid shortly. In the budget for 1892-93, a further provision of Rs. 4,500 was made for the work, of which Rs. 4,000 was to be contributed by the District and Taluk Boards, and Rs. 500 by the

Amudal

Mundel chutram committee, the balance of Rs. 1500 having already been sanctioned by the Municipal Council. The work was expected to be completed in July or August 1892—vide paras 6, 22 and 35 of the Chairman's letter in G.O. dated 20th February 1892 No. 943 M.

In para 3 of the last quoted G.O., Government presumed that the approval of the Superintending Engineer had been obtained to the estimate for the work, as required in No. 2 of the rules issued in G.O. dated 22nd January 1890 No. 124 M.

From the report for 1891-92, it appears that Rs. 6,377 and Rs. 1000 have been contributed by the Mundel chutram committee and the Taluk Board, respectively—vide para 13(c) of the Chairman's report—and from statement II. A. submitted with this report, it is observed that Rs. 6000—were spent on the work in that year.

In the Bezvada Taluk — Board's list of allotments of funds for February 1892, a sum of Rs. 1000 was shown as allotted for contribution to the Municipality towards the cost of this chutram, and the President was thereupon asked to obtain the sanction of Government for the contribution—vide Clause 31 of G.O. dated 17th May 1892 No. 1150 L. This he has not done yet.
