No. 663

From

Henry Swin, Esq., C.I.E.,

Consulting Architect

to the Government of Madras,

1986/1

To

The Chief Engineer
Public Works Department.

Sir,

2 Enclosures.

I have the honor to state that in consequence to the issue of the revised standard plans for Tahsilwars & Deputy Tahsilwars Cutcheries, the Inspector General of Police brought to my notice the want of safety in the jail wards with tiled roofing, also that the presence of the tie beams in the large wards in Tahsilwars Cutcheries afforded facilities for suicide. I now submit a Report with detailed drawings for securing the roof with a ceiling of galvanized iron and dispensing with the tie beams in the jail wards. The plan has been approved and countersigned by the Heads of the Police & Jail Departments.

I have the honor to be
Sir
Your most obedient servant
