PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings

from Board of Revenue, Revenue Settlement, Land Records and Agriculture, dated 2nd July 1892, No. 5711 min. on the following letter from the Collector of Bellary, Ref. No. 3224, dated 27th June 1892:-

The Local Fund Engineer reports that the work on the Kaucherla Railway feeder road will be completed by the 10th of July, and it will be necessary to provide work for the coolies. I propose to take up the Railway feeder road from Kalagaravilli in Alur taluk, to the Railway Station. This has been long proposed and is estimated to cost Rs 3,543 according to the estimate framed and submitted by the Local Fund Engineer. The work is not in the list of famine works proposed, but I hope that this will not constitute a fatal objection. It will merely mean taking up this feeder road instead of one of the other feeder roads proposed. The number of coolies in Alur has increased now to nearly 12,000 and there will be after July 10th mostly on the Alur-Adoni Road, and part if the present scheme is sanctioned, on the Kalagaravilli feeder road. The Divisional officer has been consulted and considers that the work is suitably situated.

2. I should mention that the Taluk Board proposed the road for this year's Local Fund Budget, but it had to be struck out for want of funds.

Resolution.

The Collector's application to add the Kolagavilli Railway feeder road to the list of works approved for famine relief in the Chittoor taluk under G.O. dated 28th March 1892, No. 297, will be submitted for the sanction of Government.

2/6-4-92

2. The Commissioner considers the cost Rs. 3,563 - to be a very suitable one provide employment in the part of the taluk it is likely to be required.

Order passed 7th July 1892, No. 316.

Sanctioned.
