Extract from letter from F. N.
Thoroughgood Esq. M. I. C.E., on special
service at Vizagapatam Harbour
at Waltair, 24 December 1891

3. Mr Willock has been most
obliging and energetic, and has tried
very hard to provide assistants here
but unhappily the men hitherto
submitted to me have been ignorant
of the first principles of engineering
drawing and surveying and I am
as badly off as ever. The matter
is too serious to be passed over
without making every exertion
and I believe it is in consequence
of Mr Willock's action that I received
on Dec 17th a telegram from the
Chief Engineer F.W.D. informing me
that the Executive Engineer here
had been ordered to place a
competent man at my disposal. Since
that date a week has elapsed
but I have heard nothing further
on the subject.
