PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following

From the S. C. III Cols, No. 978 of 6 July 1892

The Govt. consider
that the delay in the
Cuddapah division
office in forwarding
the application for
paymasters was not
only an error in
management, but also
a grave error of ap-
preciation of the im-
portance of the subject.
The proper organization
of relief works depended
on the appointment of
paymasters, and every
matter connected with
relief works should
be considered urgent.
The

The Govt. is of opinion
that the Executive
Engineer was to blame
in leaving the matter
to his office establishment.
