Letter from the Executive Engineer Harwood Davis
N^o 1046 dated 16th March 1892 to the Executive
Engineer, Bellary Division.

I have the honor to forward herewith an
extract from Para 25 of the Deputy Examiner's
Inspection Report of this Office in which he
notifies that the undermentioned Military
papers of Sergeant Donoghue are wanting:-

- 1 Company's Defaulter sheet.
- 2 Regimental Defaulter sheet.
- 3 Court-martial sheet.
- 4 Medical History sheet.

All the papers appertaining to him and
available in this Office have since been forwarded
to you with my N^o 135
4-9-91.

The papers noticed as wanting are those
that are obtained from the Regimental authorities
at the time when the party joins the department
and sent after him to Divisions as he is
transferred. They were not received in this Office
when Sergeant Donoghue was transferred from
the Bellary Division.

I request therefore that you will be
good enough to order a search to be made for them
in the records of your Office and if found to

Report

report so to the Superintending Engineer.
If they are not found the only alternative
left is I think to address the Superintending
Engineer with a view to obtaining them a fresh
from the Military Department.
