GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers :—

From D. DUNCAN, Esq., M.A., D.Sc., Acting Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 9th June 1892, No. B.B.–627.

I have the honour to request that Government may be pleased to sanction an honorarium of Rs. 250 to Bábu Bhupatinath Bose, B.A., an Assistant Master of the Native College, Berhampore, for translating into Uriya Mr. Sinclair's *Outlines of the History of India*. There are no suitable text-books in Uriya on this subject, as indeed on many other subjects, and the absence of them places Uriya pupils at a great disadvantage. To remedy this the preparation of books by competent persons was directed in 1889.

2. The late Mr. Sinclair was good enough to allow Government to hold the copyright of the Uriya translation of this book, if such translation were made under the auspices of the department.

From D. DUNCAN, Esq., M.A., D.Sc., Acting Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 18th June 1892, No. B.B.–663.

I have the honour to request that you will be good enough to obtain the sanction of Government for payment of an honorarium of Rs. 100 to M.R. Ry. Bábu B. Chatterjí, Pleader, District Court, Berhampore, for his translation of Mr. Garthwaite's First Book into Uriya. This is one of the books selected for translation in 1889, and it will be published shortly.

ORDER—dated 30th June 1892, No. 499, Educational.

On the assumption that the copyright of both the works in question belongs to Government, the payment of honoraria of Rs. 100 to Bábu B. Chatterjí and Rs. 250 to Bábu Bhúpatinath Bose is sanctioned.

2. The Government considers it advisable to extend to all cases of this nature where the sanction of the Local Government is necessary to the payment of an honorarium the principle enunciated in paragraph 4 of the Resolution of the Government of India, Department of Finance and Commerce, dated 4th January 1889, No. 59, communicated to all Departments by G.O., dated 28th January 1889, No. 42, Financial. In future, therefore, Heads of Departments should in all such cases obtain the consent of Government to the payment of the proposed honorarium before the work is begun.

It having been brought to the notice of His Excellency the Governor General in Council that it is not sufficiently well understood that Uncovenanted as well as Covenanted servants of Government are not to be permitted to borrow money from native residents in the district in which they may be employed, I am directed to draw* your attention to the point, and to request that, if orders have not already been issued on the subject, they may now be promulgated in the sense of those of the Hon'ble the Vice-President in Council, No. 1372, dated 14th July 1834, a copy of which is herewith forwarded for facility of reference.

No. 1372, dated the 14th July 1834.

Orders by the Hon'ble the Vice-President in Council, Judicial and Revenue Department.

The Principal Sudder Ameens, and Munsiffs and the Deputy Collectors appointed under the provisions of Regulation IX of 1833 are hereby prohibited, under pain of dismissal from office, from employing or retaining on their establishment any person being their private creditor, or any relative, dependent, or surety of such creditor, and from borrowing money from, or in any way incurring debt to, any zemindar, talookdar, ryot, or other person possessing real property, or residing in, or having a commercial establishment within the city, district, or division to which their authority may extend.

If any of the Principal Sudder Ameens or other of the officers above mentioned, who may be now in debt shall, at the expiration of one year from the publication of this order, be still indebted to any person from whom it would at such period be illegal for him to borrow under the above rule, it shall be incumbent on such officer to make known the circumstances to the Zillah or City Judge, or to the Collector to whom he may be subordinate, for communication to the Government, if the officer be a Principal Sudder Ameen, Sudder Ameen, or Deputy Collector, and to the Sudder Dewannee Adawlut, if the officer be a Moonsiff, and in the event of intimation not being so given, the same penalty shall attach to the said officer as if the debt had been incurred subsequently to the publication of this order.

In like manner, if any person who may be candidate for the office of Principal Sudder Ameen, Sudder Ameen, Moonsiff, or Deputy Collector, shall at the time of applying for such office, be indebted to any person with whom it will be illegal for him to contract a loan while holding it, it shall be incumbent on such person, in preferring his application, to make known the circumstance to the Judge of the City or District, or to the Collector, for communication to superior authority, as before stated; and failing to do so, he shall, in the event of his being appointed to the said office, be subject to the same penalty as if the debt had been contracted subsequently to his appointment.

No. 1899, dated the 25th April 1872.

From—E. C. BAYLEY, Esq., C.S.I., Secretary to the Government of India.

To—The Chief Commissioner of Oudh.

I am directed to acknowledge the receipt of your letter No. 3980, dated the 28th August last, on the subject of the ruling by which Uncovenanted officers are prohibited from borrowing money from natives of the districts in which they are employed, and in reply to state as follows.

2. What the Government of India intended, in the orders of the 28th October 1869, by the words "Uncovenanted officers," was generally all officers to whom the Uncovenanted Service Leave and Pension Rules are applicable, including members of ministerial establishments. And such a definition is no doubt better than the one suggested in paragraph 3 of your letter, *viz.*, officers whose names appear in the Oudh Civil List. Such a limit would exclude from the operation of the rule many Uncovenanted officers whom it is expedient to subject to it. That subordinate officers employed in the Revenue Settlement should consider themselves exempt from the general prohibition would be anomalous and possibly mischievous.

3. It is so difficult to fix a limit, including some and excluding others, of the Uncovenanted class, that the Governor General in Council considers it right to maintain the rule as applicable to all to whom the Uncovenanted Pension and Leave Regulations apply. But it should be clearly understood that this will not interfere with the discretion of the head of an office in allowing his subordinate ministerial officers to borrow, in exceptional circumstances, from persons with whom transactions would, under the rule, be ordinarily inadmissible.

From—C. J. LYALL, Esq., C.I.E., Secretary to the Government of India, Home Department,

To—The Chief Secretary to the Government of Madras.

I am directed to acknowledge the receipt of your letter No. 193, dated the 24th March 1892, enquiring whether the orders contained in Home Department Resolution No. $\frac{22}{637-53}$, dated the 16th March 1888, prohibiting public officers, under pain of dismissal, from taking loans from persons subject to their official authority or influence, should be regarded as cancelling the orders marginally noted, and whether Uncovenanted officers holding non-gazetted appointments are permitted to borrow money from their subordinates.

Home Department Circular Nos. 4952—60, dated 28th October 1869.

Home Department letter No. 1899, dated 25th April 1872.

2. In reply, I am to say that the orders contained in the Resolution of 16th March 1888 had reference to gazetted officers only, and were not intended to cancel the orders of the 28th October 1869 and the 25th April 1872, which apply to Uncovenanted non-gazetted officers. I am to explain that the difference between the orders of the 16th March 1888, affecting gazetted officers and those in the Circular of the 28th October 1869 and 25th April 1872, affecting non-gazetted officers is that in the former case, the prohibition is absolute, while in the latter it may be relaxed in exceptional cases at the discretion of the head of the office (subject to the control of the Local Government), as explained in paragraph 3 of Home Department letter No. 1899 of the 25th April 1872.
