EXECUTIVE ENGINEER'S OFFICE,

COIMBATORE DIVISION,

COIMBATORE, *July* 1892.

FROM

J. C. Larmine Esq.

EXECUTIVE ENGINEER,

COIMBATORE DIVISION.

TO

THE SUPERINTENDING ENGINEER,

FOURTH CIRCLE, COIMBATORE.

SIR,

Enclosures.

I have the honor to state that "Dresser's quarters attached to Civil Dispensary, not examined consist of 3 sets of quarters in one block. The north end of the block is occupied by Gungatharan Pillai, Deputy Accountant, Distt Board Engineer's office who pays a monthly rent of Rs 4 at 10 per cent of his salary. The south end is occupied by compounder Peter from 6th July 1889 whose pay is Rs 25 per mensem, and the centre block is vacant.

2 The compounder has been occupying his portion free of rent and

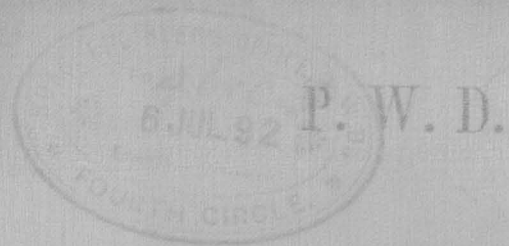

and the Medical officer Oota-
camund was requested to quote
any authority under which this
was done and in the absence
of any order that a rent of Rs 2
per mensem should be recovered
from the occupant.

3 The Medical officer has
replied that no written documents
can be traced in the hospital
records, but that the Dresser's
quarters have been in occupa-
tion of the hospital servants rent
free, for the last 30 years, and
that he would recommend the
Compounder be allowed to occupy
the quarters free of rent as usual.

4 In these circumstances, I
have the honor to request that
orders may be passed as to
whether the Compounder is to
continue occupying the building
rent free as recommended by the
Doctor.

I have the honor to be

ENCLOSURES -

SUBJECT.

Dresser's quarters at-
tached to Civil Dispensary
at Ootacamund.

Under the circumstances
explained, request to orders
as to whether Compounder
Peter is to continue occu-
pying the portion of
rent free, as recommend-
ed by the Doctor.

No. 306
EW

Submitted to the Chief Engineer
for favor of orders.

Considering the small
pay drawn by the Compounder
(Rs. 25) in a costly locality
and the long period of 30 years
during which he was provided
with free quarters, it would
be fair to allow him to
occupy the quarters rent
free as usual.
