TH ARCOOT.

NO.

Collector's OFFICE.

Cuddalore

1st July 1892

FROM

M. Hammick Esquire
as Collector of SOUTH ARCOOT.

TO

J. F. Price Esquire

CHIEF SECRETARY TO

GOVERNMENT.

Ecclesiastical Department MADRAS

SIR,

I have the honor to report that the Cemetery at Villupuram in this District is in a disgracefully neglected state and that the allotment made to me for the repair of cemeteries is quite insufficient for the work of restoring it to a proper condition. I have therefore the honor to request that a special case the Public Works Department may be ordered to undertake the work a special grant being made for the purpose.

2. The Cemetery stands on Survey No 575 measuring Acres 35. It contains many masonry graves and about 12 mud ones. It has neither wall nor hedge round it and is reported to have been neglected for years and now to be used as a

Scandal.

3. I have had an Estimate prepared for the Construction of a wall round the Cemetery at a cost of Rs 526. This will only be of brick in mud. Considering however that Villupuram is now a railway junction of considerable importance containing a number of European and Eurasian inhabitants I do not think that it will be sufficient merely to build a mud and brick wall. The wall should be a brick and chunam structure with a proper gate with stone pillars. It should also I think have a peon in charge on a monthly pay.

4. The Venerable the Archdeacon of Madras has written to me saying that the Bishop has been asked by the inhabitants of the town to enclose the Cemetery. It is impossible that this can be done until the Cemetery has been put in proper order. It should I consider be as well taken care of and put into as good a condition as the Cemetery at Osharpet which is surrounded by a substantial wall and is well looked after. I hope that the Government

will see its way to doing the same for the Cemetery at Villupuram.

I have the honor to be Sir

Your most obedient servant
