PUBLIC WORKS DEPARTMENT.

LETTER—to

THE RIGHT HONORABLE THE SECRETARY OF STATE FOR INDIA.

MY LORD,

We have the honour to forward herewith five copies of each of the following budget estimates of the Public Works Department for the year 1892–93 :—

Final Issue.

(1) Imperial Military works.
(2) " Civil "
(3) Provincial " "
(4) Incorporated Local Funds.
(5) Excluded Local Funds.
(6) Irrigation Major works.
(7) " Minor Works and Navigation.

2. With reference to your Lordship's despatch, No. 7, Public Works, dated 18th August 1887, we attach a statement showing the approximate amount of establishment charges applicable to the construction of the Rushikulya and the Periyár projects, the only works in progress in this Presidency on which special establishments are exclusively employed. It will be observed that the cost of the establishment chargeable to the Rushikulya project is 3·5 per cent. less than that estimated for the previous year and 2·6 below the 23 per cent. usually allowed in this Presidency. In the case of the Periyár project, the percentage for the current official year is 29·6 or ·2 per cent. less than that of 1891–92. Should, however, the grant for *works* be increased during the year, as seems probable, this percentage will be correspondingly reduced.

We have the honour to be,

My Lord,

Your Lordship's most obedient, humble servants,

(Signed) WENLOCK.
