2090/2

The letter on this subject from the Resident in Mysore was sent yesterday to the H.M. (marked also for His Excy.) It will probably be returned by the H.M. this afternoon.

As orders were requested whether Lt. Col. Campbell's services can be spared, the Excy. Telegram from the G. of I. might perhaps await the return of the previous papers.

If the H.M. agree to Lt. Col. Campbell's transfer, the assent of His Excy. might perhaps be asked by wire.

30/6/02

Col. Campbell was permitted to apply for his appointment and this I should think covered all if the application was successful - My scheme would probably have to apply to a reference of G.o.I.

I have sent the papers away with request that W's reasons for the opinion that Col. Campbell's services can be spared for two years may be stated. To me it appears that they cannot, as Mr Walch's retirement & Col. Pennycuick's furlough will make them vacant two either in April next or earlier. If H.E. has decided not to recommend Col. Campbell to be or to act as Chief Engineer either of the Irrigation or General branch in either of these then of course his services can be spared. But unless he has so decided, Col. Campbell ought not to be allowed to go for two years. He is the fittest man in the Dept. to succeed either of the officers above named.
