SIR,

Enclosures.

I have the honor to request that sanction of Government may be accorded to the execution by the Department of the following works, the Engineer P.W. Accounts having objected to admit the expenditure incurred on the ground that they are petty works which ought to be carried out by the Civil Department under para 1316 of the P.W. Code.

The first four works were carried out by the Department as the extensive improvements to the Teachers College sanctioned in G.O. No. 462 of dated 16th March 1891 being then in progress and close at hand it was easy for the Department to get the

the works done simultaneously.

The last two works were carried out by the Department or works which required professional skill and supervision.

The work "Closing Cracks in the walls of the Munsiff's Court house 'Vishachellam'" though trifling required careful doing and was carried out as a special repair under para

1422.
