Executive Engineer Cuddapah division
to the Supt Engineer the Circle Bellary.

I have the honor to state that
the Examiner of Public Works Accounts
has disallowed the salary of one of
the two clerks on Rs 15 per mensem
approved of in your No 637 dated
24 May 1892 as it is irregular to split
the sanction of one clerk on Rs 30 into
2 temporary clerkships on Rs 15 each
in the absence of specific sanction of
Government. The Government in its
order No 1179 d dated 8th April 1911 has
sanctioned the entertainment of a
clerk on Rs 30 per mensem, but for
convenience sake, the sanction was
split into 2 clerks at Rs 15 each.

I therefore request you will obtain
sanction of the Government to the
above arrangement.

Endorsement of the Supt Engineer
No 1021 dated 7th July 1892.

The sanction will be applied for
but please state whether in your

opinion it was absolutely necessary
to employ two clerks instead of
one.

Endorsement of the Executive
Engineer No. 167 dated 12 July 1892.

I consider that it was in the
interests of Government to engage
two clerks on No 15 instead of one
clerk on No 30, more especially
as it is almost impossible to
obtain men whose attainments
are worth the higher rate of pay.
