To
The Secretary to Govt.
Public Works Department
Madras.

Respected Sir,
I, R. M. L. Raman Shetty
respectfully beg to bring the following for
your kind notice:-

That I have submitted several pe-
titions regarding the erection of telegraph
stations at ~~Arumailat~~ Madurai dist. but no
final orders have been received by me as yet
on the subject. In reply to one of my petitions
I have been favoured in an endorsement to the
effect ^{that the subject} is under consideration and will be
disposed of as soon as possible. It is now 4 or
5 months elapsed since the issue of the endorse-
ment & no definite reply has been favoured to
me hitherto. I have been here for the last 8 or
9 months leaving my native place eagerly
waiting for the favourable orders under heavy
expenses & therefore respectfully beg that
your honour will be pleased to favour me with
a favourable order at your earliest convenience.

I beg to remain
Respected Sir
Your most obedient servant
R. M. L. Raman Shetty
