Police Hospital building at Cochin	5000	205	34	.	.	34	2	2	2	This Sub-Collector was in the first place living on Cruz Vilagosa Dam. He afterwards moved to the Police Hospital Building, Cochin, for the convenience of building Police Lines on payments of a small rent of Rs 2/- in consideration of the low salary of Rs 25/- which he draws. It is evident from the existence of so many vacant buildings in British Cochin that the building in question could not have been let to private individuals, at a higher rental than Rs 2/-. This rent is considered fair and recommended for approval from date of occupation viz from 1 st June 1891.
