Read the following

From the S.P. Circle, No. 308 W. of 9 July 1892

The Sanitary Engineer has no  
plan to keep them. They had better  
be retained in the P.W. stores till  
wanted, W. Jones being informed  
of their arrival.

My hon. Member in question is?  
also I think like to know about  
them.

I think W. Jones might be  
able to try the boring tools at  
least.

The boring apparatus  
will be retained in the Public  
Works Stores until required by  
the Sanitary Engineer  
under whose orders  
experimental borings  
will be carried out.  
The cost will be ad-  
justed against the  
provision for Landow  
supplies in the Provincial  
Budget of the P.W. Dept.

The S.P. Circle  
Capt. W. Ault  
Local & Man. Dept. with copy of note by the  
Hon. Mr. Garsden C.S. I  
The Honble the Chief Secy  
for favor of countermanding
