NOTES.

REFERENCE TO MADRAS P. W. D. CODE,
EDITION OF 1886.

PARAS. 25 & 26.

1. The column headed "present scale" should invariably show the *sanctioned scale for the time being* and not the strength of the actual (whether above or below sanctioned) establishment as it happens to stand at the time. The "present scale" should be verified by the examiner before the proposal is submitted to government for sanction (paras. 25 and 26).

2. In the column "average or fixed pay," financial value, not mean value, should be given.

3. The financial value should in the case of progressive appointments be calculated as follows:—

(1) If the period of rise from minimum to maximum is 5 years, the average will be the minimum *plus* two-thirds, or if the appointment is a ministerial one, *plus* three-fourths, of the difference between the minimum and maximum (C. S. R., Art. 164).

(2) If the period of growth exceeds five years (as in the case of accountants) the $\frac{1}{5}$ th fraction should be decreased by $\frac{1}{10}$ th of the difference for every year by which the period exceeds five; the fraction for periods in excess of five years will therefore be as follows:—

$$6 \text{ years} = \frac{2}{3} - \frac{1}{10} = \frac{13}{15}$$

$$7 \text{ years} = \frac{2}{3} - \frac{2}{10} = \frac{8}{10}$$

$$8 \text{ years} = \frac{2}{3} - \frac{3}{10} = \frac{7}{10}$$

and so on; so that when the period of growth is 20 years the financial value will be the exact mean.

P. W. D. FORM,
No. M 184.

PUBLIC WORKS DEPARTMENT, MADRAS.

Superintending Engineer's Office,

No. 235 NL

II CIRCLE, *Beyza su*

Dated 13th July 1892

From,

J. H. H. Esquire, 2
Superintending Engineer.

Superintending Engineer.

II Circle.

To.

The Chief Engineer,
Public Works Department,
Madras.

Sir,

Inclo.
one

I have the honor to bring to your notice that the Executive Engineer, Works Division has been repeatedly asking for extra clerical assistance to cope up with the increase to the work of the Division owing to the amalgamation of the Sangam Project Division &c.

2. It has ~~been~~ been Constituted
into an ordinary 1st class division
in G.O. No 1721^W of the 20th June 1890.

3. As I have been fully ~
convinced

Convinced that the extra assistance
asked for in Executive Engineer's
No 249 of the 13th November 1891 -
(herewith sent in original to be kindly ^{to be not}
returned) is required, I allowed ^{to have been}
the retention of a Channel Superin- ^{received}
tendents' clerk to continue to work
in the Division Office, & now request
you will be good enough to obtain
the sanction of Government for an
extra permanent clerk of the II class
2nd grade for the Moore Division.

4. I propose the abolition of
2 Channel Superintendents' clerks
of the 5th class 1st grade belonging
to the Sangam Project Establishment
as they are quite unnecessary,
& as they appear never to have
been employed on their legitimate
duties.

5. The necessary proposition state-
ment is herewith sent, which shows

a net^{ing} decrease of Rs. 165 after providing
the clerk asked for in para 1

6. In this connection, I beg to bring
to your notice that out of the two
Channel Superintendents' clerks, one
has already been absorbed as Lock
Superintendent in the Kistna Delta
& the other will now be absorbed in
the Moore Division Office 27th 3

I have the honor to be,
Sir,

Yours most obed^t Serv^t

W. Murray
