To,

The Honorable,

The Secretary to the Government
of Madras, in the Public Works
Department

Fort Saint George

The humble petition of
P. Butchiah Naidu.

Sheweth:

That, with reference to the
O. G., dated the 25th January 1889,
No. 210 W., conveyed in the Proceedings
of the Madras Government, on
petitioner's application of the 15th
Idem for his pension, he appealed
for it to the Central Provinces
Government as directed in the
above O.G.: and he was informed
by the Examiner Public Works
accounts Madras in his No. 315 x,
dated the 6th June 1889, that on
verification

verification of petitioner's services in the Madras Presidency, his pension case with the papers connected with it was returned with the Examiner's report on the 7th May 1889 to the Superintending Engineer Central Provinces from whom it had been received by the former authority (Examiner) on the 15th April 1889.

2. That, from the time of his entertainment in the Department at the commencement of the Godavery works in 1847, petitioner was in continued service on the permanent strength of the Depart=ment; and while serving as Head Writer in the District Engineer's Office Ganjam, the service Register had been first opened, he thinks, from

from May 1858. Petitioner's services prior to [illegible] 1858 can only be verified [illegible] reference to the departmental half yearly and yearly Returns, or other classified lists, &c. From May 1858, up to the 19th January 1861, the date on which he was appointed Head Accountant Upper Godavery Circle, his services during that interlapse can be verified from the service Register of the Ganjam District Engineer's Office. His subsequent services can also be verified from the departmental half yearly and yearly Returns, &c., of the District Engineer Upper Godavery up to beginning of May 1863; when the Godavery works being transferred to the Central

Central Provinces Administration
from the Madras Government,
his services for [illegible]tter period
from May 1863, [illegible]e verified
by the departmental Returns
of the Superintending Engineer
Upper Godavery periodically
submitted to the Central Provinces
Government. The Upper Godavery
Circle being however a non-regu
=lation Province in those days,
there had been no regular
service Register kept there
as in the Districts of the Madras
Presidency.

3. That in June 1889, during
the time of last famine, His
Excellency the late Governor
of Madras having visited the
Ganjam District, a Memorial
was

also submitted to His Excellency
by petitioner praying that his
pension be granted him.

4. That no justice having been
done by the Central Provinces
Government in petitioner's case,
he has appealed to the Govern
=ment of India through those
Central Provinces Government,
as per the Notification of the
Government of India, No. 1812,
dated the 11th October 1889; and
there are sufficient new grounds
in his case for reconsideration
to justify his claim if taken
into consideration, referring to
the Resolution of the Governe
=ment of Bombay in the Judicial
Department

Department, extract republish
=ed with the Madras Governe
=ment Circular, No. 133/3-127, of
1883-84, dated the 16th January
1884; and also as will be seen
from the Home Department
No. 1438, dated the 24th September
1880, besides the Resolution of
the Government of India in
the Public Works Department
passed about July 1879, award
=ing pensions to those whose
services had to be terminated,
or dispensed with at the instance
of Government, petitioner's
case being almost of similar
occurrence, and coming to
some extent within the terms
of

of the above Resolution, for
the reasons explained in 2254/4
petitioner's memorial to the
Central Provinces Government
and to the Government of
India.

5. That his pension being,
however, withheld from him,
petitioner most earnestly
implores your Honor's mercy
to favor him with a copy of
the orders passed on his pension
case in referring it to the
Central Provinces Government,
as he wishes to appealing as
per the prescribed rules with
all the necessary records,
through the Government of
India

Indicate to the Honorable Government praying for justice, and the petitioner has orated applied to the Examiner Public Works Accounts Madras, praying to be favoured with a copy of the report made by him to the Central Provinces Govern= =ment on petitioners pension case, after verification of his services under the Madras Government.
