From A. D. C. Malet Esquire
Executive Engineer, District Western Division to
the Superintending Engineer, Second Circle,
No 358 S: dated 29th July 1892.

SA

I have the honor to forward a
certificate of unfitness regarding P. Venkata
Sastri Lock Superintendent, Vizampatam
and request your permission to retire him
from the 20th July 1892 (the date of the certificate)
under Civil Service Regulations—article 199.
According to his Service Register this man is
48 years of age. He admits being 52, and is,
according to the Medical certificate apparently
55.

He is now entitled to a gratuity of 6 months
pay or Rs 72.

He will not be entitled to a pension unless
he serves another $2\frac{1}{2}$ years.

The amount of pension would then be Rs 4,
per month.

I informed the Acting Civil Surgeon
regarding all these points and also told him
what the duties of a Lock Superintendent
were. The man is not in my opinion up
to

to his work and I am not aware of any
post of a less laborious character than that
of a Lock Superintendent on which he can
be employed.

Certificate

Forwarded to the Chief
Engineer, Public Works Department, together
with Medical certificate, for favor of
instructions as to whether P. Venkata Sastrulu
Lock Superintendent should be retired at
once.

2. With regard to the remark of the Civil
Surgeon in para (c) of the certificate, it
may be observed that the duties of Lock
Superintendent are very light, and it is
certainly impossible to find, in this Depart.
ment, easier work for P. Venkata Sastrulu
than he has at present.
