In reply to your letter of 13th Inst^{nt},

had elected for continuous service in India
prior to 1st March 1891, your subscription
and donation to the Indian Military
Service Family Pensions ^{became} due on
1st March 1891.

2. As the donations were not paid in a
lump sum within one month from the date
of receipt of intimation of the amounts
due from the India office, you were
not exempted from the charge of
interest vide Secretary of State's Despatch
referred to by you.

3. Interest was therefore correctly

Dated 4th July 1892.

FROM

THE PRINCIPAL,

COLLEGE OF ENGINEERING,

TO

The Director of Public Instruction
Madras

Enclos. 1.

SIR,

With reference to G. O. Public Works
Department, No 1740 W, dated 11th June 1892,
Communicated under your endorsement
No 8476, dated 21st idem, I have the honor
to state that, on the receipt by me of
Government of India No 891 G, Public
Works Department, dated 17th March
1892, embodying a despatch from the
Right Honorable the Secretary of State for
India on the exemption of certain officers
from payment of interest on donations
to the Indian Military Service Family
Pension Funds, I addressed the Pay
Examiner, Madras, enquiring whether
under the Secretary of State's decision,
interest should not in my case be
Charged

Charged from 1st September instead of
1st March 1891.

2. The Pay Examiner in his reply, No
F/900 dated 23rd April 1892, Copy of
which is attached, stated that in as
much as my donations were not paid in
a lump sum within one month of receipt
of intimation of the amounts due, interest
was correctly charged from 1st March.

3. In para 3 of the Secretary of State's
despatch it is decided "that officers
"who elected to subscribe between 1st
"March and 1st September 1891 shall be
"exempted from the Charge for interest
"on sums paid within one month from the
"date of receipt by them of the necessary
"information from the Fund Office as
"to the amount payable under the Regulations."

4. I received the Madras Pay Examiner's
Circular, inviting me to contribute, while
I was in England, in June 1891. I replied
in the affirmative on 19th June, and asked
that

that the amount of my first contribution
might be communicated. Receiving no reply,
I wrote to the India Office on 20th August.
The Director of Funds replied on 22nd
stating that the Pay Examiner's answer
to my letter had been held back in the
India Office owing to a miscalculation
which it contained of the amount due.
The Director of Funds then proceeded
to inform me that the amount of donation
payable by me was £194-15-0. This
sum I paid as follows—

on 3rd September 1891, Six instalments— $\begin{array}{r} 20/7 \\ \text{£ } 48-13-9 \end{array}$
16th November 1891, three—do—=24-6-10½
29th February 1892, fifteen—do—=121-14-4½
194-15-0

I have also paid the sum of £7-7-3 as interest
from 1st ^{March} 1891 on unpaid balances of donation.

5. Under the terms of para 3 of the Secretary
of State's Despatch, it appears to me that
I am clearly intitled to a refund of the
interest paid on the sum £48-13-9, which
amount was discharged by me within one
month of date of intimation of the donation
due. I see no grounds for the Pay Examiner's
adverse

a decision, and I respectfully request that the matter may be referred for the decision of Government through the Controller of Military accounts.

6. Further, I submit that the intention of the Secretary of States' Despatch is to exempt from payment of interest donations paid without delay, and that since 22nd September is in my case held, under the terms of ^{the} Despatch, to be a date before which I could not be expected to pay any portion of the donation, it follows that the interest on subsequent payments should be calculated from 22nd September, and not from 1st March 1891.

7. I accordingly request that Government will be pleased to order the refund to me of

- (1) interest paid on £48-13-9 from 1st March to 3rd September 1891.
- (2) interest paid on 146-1-3 from 1st March to 22nd September 1891.
